MEMBER CONTRIBUTIONS

Members are required to contribute through capacity building activities that support fellow members & our local community of entrepreneurs, university students, and young business delegates, in an effort to uphold our mission of empowering the next generation of leaders.

Members can choose from several contribution options:

Host Business Workshops

Host open workshops on a variety of business topics for our local entrepreneurial community

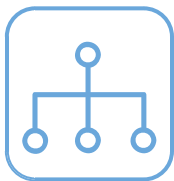

Mentoring Opportunities

Mentor aspiring entrepreneurs in collaboration with our community partners

Organize Member Activities

Encourage connection & partnerships between members by organizing social events

Community Building

Build our community through member nominations, speaker referrals, or providing access to exclusive initiatives.

Student Internships

Help university students get access to internship opportunities through your organization and its affiliates

Community Program Sponsorships

Partner with YAL in implementing community programs that support the ambitions of young leaders through sponsorship

Thanks to your membership fees and our program sponsors we can continue to empower the next generation of Young Arab Leaders.
